Assi Law Firm

law for impact

About

Assi Law Firm was established in 2019, as a specialized law firm in cutting edge legal fields, with the main office in Jerusalem, providing diverse legal and advisory services for local and international businesses and organizations.

Where legal services foster positive impact.

We believe in a holistic approach to tackling legal issues, taking into consideration all aspects that affect the organization, its strategy, environment and operations. Our commitment is to provide exceptional legal services that drive success and growth.

We strive to assist businesses and institutions by providing strategic legal advice and finding tailored legal solutions and structures that are most suitable for their activities and endeavors. We identify enabling legal tracks that allow our customers to expand their operations in the most efficient manner.

The Firm has been serving local and international companies, investors and organizations, providing them with a broad spectrum of legal services, focusing on corporate, technology and finance. We give

meticulous attention to details in every legal aspect. We aspire to provide value-driven legal advice, ensuring the success of innovative ventures and deal-making that transform industries and society.

The Firm provides general legal services on civil and commercial matters, as well as advisory services focusing on legal policy and on developing an enabling legal environment.

Trust Assi Law Firm to be your partner in navigating the complexities of law and regulations and create a more prosperous and thriving business and institutional landscape.

Legal Services

At Assi Law Firm, we provide a wide range of legal services for businesses and institutions, including:

- Drafting contacts and agreements.
- Employment law, compensation and benefits.
- Commercial transactions.
- Business transactions and investment agreements.
- Incorporation and registration of companies and corporate governance.
- Due diligence, negotiations and deal structuring.
- Legal and regulatory analysis and compliance.
- Legal support for project development and finance.
- Financial and banking legal and advisory services.
- Property development and real estate transactions, legal and tax advisory services (in cooperation with a tax specialist).
- Mergers and acquisitions.
- Technology transactions and startups development.
- Intellectual property registration and advisory services (for Patents, in cooperation with a specialized Patents Attorney).
- Restructuring and insolvency.
- International trade.
- Dispute resolution and litigation.

Striving for legal excellence, we contribute to building sustainable ventures and responsible legal entities that generate a lasting impact for society.

Founder

Bashir Assi, Adv.

J.S.M, Master of the Science of Law (Stanford University, 2011)

LL.M, European Masters Law & Economics (Erasmus University, 2006)

B.A. in Economics (Haifa University, 2004)

LL.B. in Law (Haifa University, 2002)

Adv. Assi is a legal and business advisor, a licensed attorney, with a diverse practical and academic background (law, economics and investments). He is the founder of Assi Law Firm, providing legal advice for various international and local businesses and organizations on various legal matters. Adv. Assi have served numerous clients and provided advice on diverse legal matters based on their needs and serving their best interest.

Adv. Assi is passionate about engaging in activities that have a lasting impact and positive contribution to the business community and society, including working on deal-making, innovative companies, impact investments, development institutions and the like.

Adv. Assi legal practice involves providing advice for local and foreign businesses on various investment, corporate and commercial matters (including in the technological, financial, industrial, and energy sectors). His recent engagements included corporate and commercial transactions, deal negotiations and structuring (including cross-border transactions), agreements drafting (founders' agreements, joint-ventures, investment agreements, startup acceleration etc.), as well as providing legal advice on regulatory compliance, fund formation, financial institutions, alternative finance and renewable energy. Adv. Assi has been also representing clients in civil and commercial cases, including bankruptcy cases and other commercial disputes.

Adv. Assi is also acting currently as the legal counsel of various renowned international organizations (iNGOs), providing these organizations with continuous legal advice

on civil, employment and regulatory matters.

In addition to the legal practice, Adv. Assi has been providing general legal services for institutions and consultations for various international and local organizations, conducting studies relating to legal, regulatory and policy issues (these organizations include the EBRD, UN Agencies, World Bank Group, GIZ, FCDO, Enabel, USAID, IsDB and others). The main fields of my recent consultancy work focused on: (a) business enabling environment and legal reforms, e.g. Insolvency Law, Companies Law, Investment Promotion Policies and else; (b) legal and policy reports and comparative legal analysis and benchmarking with best practices, e.g. on digitalization of businesses; alternative finance e.g. crowdfunding, agent banking etc.; and (c) legal opinions relating to structuring of investment vehicles, angel investors network, establishing a microfinance institution etc. while working on these projects adv. Assi has interacted with numerous international organizations, public institutions and governmental authorities (including Ministries, semi-public organizations, NGOs, civil society etc.). His main responsibilities included leading teams of experts, coordination with other organizations, initiating dialogues and discussions with stakeholders, drafting reports, and implementing interventions and capacity building for institutions.

Between 2020-2023, Adv. Assi taught a course on 'Investment Law', for the Master's degree students in Law and Economics, at Birzeit University.

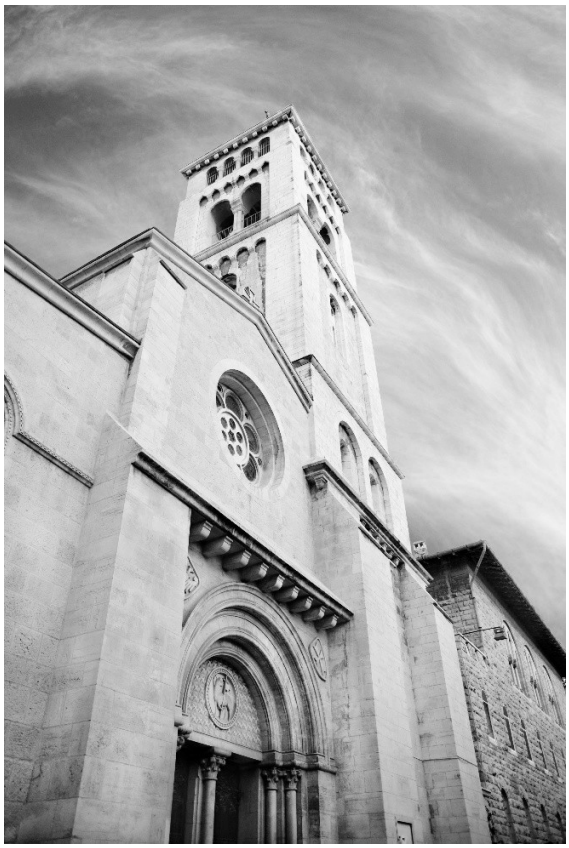

Prior to establishing Assi Law Firm, Adv. Assi worked as an investment manager with the Palestine Investment Fund, managing a diverse investments portfolio, including leading negotiations and deal structuring, investment analysis and management. Subsequently, he worked as a consultant for several economic development programs (funded by international organizations).

Adv. Assi is a native Arabic speaker, and fluent in English and Hebrew, and graduated with a double major in law and economics from Haifa University (LL.B. 2002, and B.A. in Economics, 2004) and two Master's degrees, a European Masters in Law and Economics from Erasmus University-Rotterdam (LL.M., 2006) and Masters of the Science of Law from Stanford University (J.S.M., 2011). Adv. Assi is member of the Israeli Bar Association, since 2003. And, in 2008, he did a traineeship at the European Commission in Brussels, and in 2016 passed Level I of the CFA exams.

Adv. Assi has extensive experience working with multicultural environments and involved with several social initiatives and

enterprises. Adv. Assi is passionate about engaging in activities that have a lasting and sustainable impact and positive contribution to society.

We assist businesses and institutions in navigating the complexities of modern legal frameworks which require diligence and forward-thinking. Our firm is dedicated to guiding your story towards a successful evolution, always in alignment with your goals and aspirations.
